LIFETIME

Who We Are.

Talmidim Hashluchim

The idea of *Talmidim Hashluchim* was established by the Rebbe, who began sending groups of bochurim to Yeshivos around the world to strengthen learning, inspire chassidishkeit, and serve as living role models for the younger talmidim. As Shluchim, our role is to learn with chayus, daven with kavana, and bring warmth and guidance into every part of yeshiva life — both inside and outside the zal.

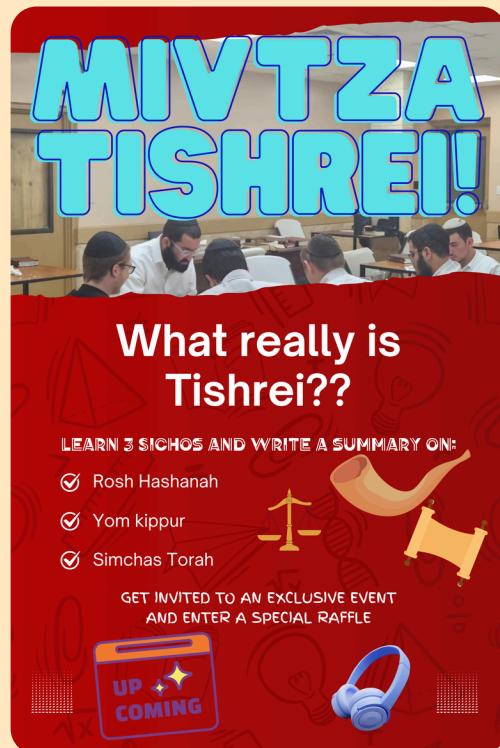

This year, we have the great zechus of being sent as *Talmidim Hashluchim* to Yeshivas Gedolah Miami. Our group includes **Mendel Feigenson**, **Mendel Markel**, **Berel Minsky**, **Peretz Mochkin**, **Rolly New** and **Yossel Schapiro**. Together, we are committed to contributing to the unique atmosphere of the yeshiva, and to doing our part in uplifting the chayus, achdus, and chassidishe spirit throughout the year.

MIVTZA SPOTLIGHT

Each month or so, we will be running a special Mivtza — a learning initiative that focuses on themes connected to the upcoming Yomim Tovim or other significant dates on the calendar. In this section of the newsletter, we'll keep you updated on the most recent Mivtza.

MIVTZA TISHREI

During Elul, we launched a special Mivtza to help the bochurim prepare meaningfully for the upcoming Yomim Tovim. The program focused on learning 3 Sichos the way the Rebbe explains a deeper meaning of the Yom Tov. To make the learning more personal, each Bochur also wrote summaries on the Sichos, helping to reflect and internalize the lessons. There was also Shiurim on the Sichos every night, including 1 night a week with the “8 Minute Sicha”, where we summarized the entire Siche in 8 minutes. Those who completed all 3 summaries were rewarded with an exclusive event — not only a well deserved prize, but also an encouragement to continue their growth and carry the inspiration of Elul into the year ahead.
